

Shakespeare

William Shakespeare was baptised 26 April 1564; died 23 April 1616 and was an English poet and playwright, widely regarded as the greatest writer in the English language. He is often called England's national poet. His surviving works, consist of 38 plays, 154 sonnets, two long narrative poems, and several other poems. His plays have been translated into every major living language and are performed more often than those of any other playwright.
