St Bees School

Thursday 20<sup>th</sup> May 2010

Dear  
Mrs Simper,

Thank you for inviting us all to Yew Tree Farm. We all had a fantastic time. Our favourite part of the visit was milking the goats. We all loved milking Nitrogen as none of us have ever milked goats before! The majority of us thought Cornflour was the cutest however Chlorine was popular too! We really enjoyed seeing the lambs in the field.

Thank you very much,  
The Prep Department
