

St. Bees School

Dear Parent,

To facilitate the stocking of correct sizes of school uniform it would be appreciated if you could provide us with information regarding your son/daughters measurements and return this form to the above address at your earliest convenience. If your child requires an unusual size for his/her age please note that special orders may have to be placed and can often take in excess of six weeks to arrive.

The Clothes Shop is open from 9.00am to 2.00 pm, Monday to Thursday (term-time only), throughout the year. Opening times change during the Summer holidays and is by appointment only. Fitting out a new pupil takes approximately 45 minutes and a prior appointment should be made with Mrs. Rossiter. Please telephone Mrs. Rossiter on 01946 828026 to arrange.

Clothing inventory and guidance notes are attached.
